

2019 Pilgrimage to Malawi

Taste and see what God is doing in and through
His people in a land far away!

JULY 11-28, 2019

If you have an inquisitive mind and adventurous spirit we invite you to join Warm Heart International for our fifth Pilgrimage to Malawi in Southern Africa. Be one of 8-20 delegates who travel to the Warm Heart of Africa and learn what life is like in Southern Malawi.

On this pilgrimage, you will be paired with another pilgrim and a family in Blantyre. You'll get to know what daily life is like as you live and dine with the family for much of the trip. This

offers a unique opportunity to experience urban living in an impoverished country.

During the first half of the trip you'll spend the days visiting a variety of sites and types of projects. See first-hand the work driven by the Anglican Diocese of Southern Malawi. You'll understand what is being done to improve the lives of Malawians and where challenges still exist. When possible, you can assist with small projects. The evenings will be spent with your host family.

JULY 11-28, 2019

In the second week, you'll spend time outside of Blantyre. The time away allows you to enjoy the natural beauty of Malawi.

The group will travel to Liwonde National Park for a River Safari, where you can see hippos and crocs in their natural habitat, and if lucky, spot an elephant.

The overnight stop in Mua will provide insights on the history and culture of Malawi. The group will then spend time at Lake Malawi. The trip ends with a special dinner for all pilgrims and host families.
